

SINGLE SOURCE SOLUTION

# CAPABILITY STATEMENT

## CORE COMPETENCIES

**AEAK Construction** is a privately-held construction firm that provides general building, bridge, road, civil works, pipeline, and specialty construction services in the United States.

We have grown our construction firm by **delivering on our promises, fostering lasting client relationships, and investing in the professional development of our team members.** Throughout generations of family ownership, we continually seek to build a company that makes a positive contribution to the communities in which we build.

We pride ourselves on our uncompromising commitment to ethical conduct, safety and making fiscally-sound business decisions to meet the long-term goals of our clients, project team members, and collaborators.

## DIFFERENTIATORS

- ✓ 15 years of insider experience across various industries.
- ✓ In-depth knowledge of proven strategies for business success and growth.

## PAST PERFORMANCES

- ✓ 15 years of technical and management experience.
- ✓ **SEI GROUP, INC.**  
Primary contractor for the U.S.A.F. to update all the old fire alarm systems for U.S.A.F. military installations.
